

A space with layers.

Toggle Furniture or Electrical in Loupe. The drawing below is a real layered PDF.

FURNITURE

ELECTRICAL

Synthetic demonstration drawing. Not an architectural or construction plan.

01 / 02

Details worth finding.

01 Furniture

Six workstations, a meeting table and a separate quiet room.

02 Electrical

A dedicated overlay shows the electrical route and connection points.

03 Review

Annotations retain their author and note content for inspection.

04 Search

Search for quiet room to jump between references in this document.

05 Geometry

An application can anchor a marker to a document region as you zoom.
